ABOUT US

30+ YEARS OF MANUFACTURING EXPERIENCE

Established in 1994, Tan Hoang Gia (THG) is a Vietnam-based manufacturer specializing in sofas and upholstered furniture for international markets.

Mr. Hoang Tuong Vi

CEO of Tan Hoang Gia

MESSAGE FROM THE CHAIRMAN cum CEO

Since 1994, THG has grown through firm commitments to quality, integrity and long-term partnership.

Today, we continue to invest in our labor forces, manufacturing capabilities and product development to serve customers around the world.

Our commitments in development orientations are building products with high quality, earning customers' trust and growing together for the long-term and sustainable co-operations.

Mr. Hoang Tuong Vi

Chairman cum CEO

VISIONS – MISSIONS – CORE VALUES

VISION

To become the leading furniture manufacturing and export brand in the region, pioneering the creation of modern, world-class living space trends.

MISSION

To provide customers and partners with outstanding designs, superior-quality furniture through an integrated supply chain and advanced manufacturing capabilities. Consecutively, we are committed to upholding social accountability and creating sustainable values for the community.

CORE VALUES

1. QUALITY

Prioritizing quality with strict control from raw materials to finished products

2. AUTONOMY

Full autonomy and mastery over the closed-loop production chain

3. SOCIAL ACCOUNTABILITY

Commitments to sustainable development and community engagement

THG'S LEADERS & QUALIFIED TEAMS

Experienced leaders and qualified teams with deep expertise in sofas and wood furniture manufacturing

OUR LABOR FORCES – THE HEART OF THG

Our labor forces are the heart of THG. With dedication, craftsmanship and a strong sense of responsibility, our teams bring passions to every product and every detail. Their commitments, loyalty and continuous pursuit of excellence are the foundation of THG's sustainable growth and long-term success.

NGOC CUONG MOUSSE – Shareholder & Long - Term Partner

Ngoc Cuong Mousse is a shareholder and long-term strategic partner of Tan Hoang Gia, and one of Vietnam's leading sofa mousse manufacturers.
