30+ YEARS OF MANUFACTURING EXPERIENCE

Established in 1994, Tan Hoang Gia (THG) is a Vietnam-based manufacturer specializing in high-quality sofas and upholstered furniture for global markets.

“

Since 1994, THG has grown through a strong commitment to quality, integrity, and long-term partnerships.

Today, we continue to invest in our people, manufacturing capabilities, and product development to deliver reliable products and lasting value to customers worldwide.

Build quality products.
Earn customer trust.
Grow together for the long term.

MR. HOANG TUONG VI
Chairman & CEO

VISION, MISSION & CORE VALUES

VISION

To become the leading furniture manufacturing and export brand in the region, pioneering the creation of modern, world-class living space trends.

MISSION

To provide customers and partners with outstanding designs, superior-quality furniture through an integrated supply chain and advanced manufacturing capabilities. Consecutively, we are committed to upholding social accountability and creating sustainable values for the community.

CORE VALUES

From material selection to community responsibility

01

QUALITY

Prioritizing quality with strict control from raw materials to finished products

02

AUTONOMY

Full autonomy and mastery over the closed-loop production chain

03

SOCIAL ACCOUNTABILITY

Commitments to sustainable development and community engagement
